Dear Parents

### **Leadership at Our Lady of the Angels**

As we approach the Easter break, I wanted to update you on the leadership arrangement for Our Lady of the Angels next term.

As you know, Mrs Fraser has been away from school this term, due to illness. She is hoping to be well enough to return to work next term and we are in discussion with her about how we can best support her back into the role.

In the meantime, until Mrs Fraser is back to full health, we have made the decision to continue the interim arrangements. Therefore, Mrs Amelia Harding, who has been supporting the school as Interim Head teacher since February, will continue as Head teacher next term. We are very appreciative of Mrs Harding and St Nicholas' School in Exeter for enabling this to continue. These arrangements will enable the school to continue to provide the best possible care and education for your child, whilst working towards the removal of special measures in the Autumn term. The next OFSTED monitoring visit is likely to take place soon after Easter and we will also be holding a School improvement update evening for parents early in the Summer term.

We will continue to be supported by the Education and Standards team at CAST, who work with leaders, challenging and supporting their work.

Please be reassured that we take the wellbeing and success of your children, the school and the staff very seriously and will do everything possible to ensure the school continues to improve rapidly.

I hope you and your family have a peaceful and happy Easter.

Yours sincerely

Angie Baldwin

Chair of Governors
