Dear Parents / Carers

In our school community we have a number of families that undergo considerable difficulties and challenges and because we don't want you to struggle on your own, we are always willing to help in any way that we can. I therefore wish to remind you that if you need support of any kind, to get in touch with the school's Pastoral Support Team: Mrs Smith, Mrs Corline and Mrs Harding. All requests for support are treated in the strictest confidence and if we can't help, we will try and find someone who can.

Thank you to Year 4 for a brilliant learning assembly this week. They covered several topics from our new curriculum including 'Evacuation during the Blitz' and 'The Journey of a Banana', finishing with a song that they sang in rounds and which sounded amazing!

Some of you may have seen that, thanks to the helpers on our community day - our planters are very nearly ready for planting. Despite the addition of a lot of soil and compost that we have had donated, we still need more! Are they actually bottomless pits?! If you could buy a bag of compost to donate to the school next time you are shopping we would be most grateful. We also need watering cans, trowels and hand forks and gardening gloves so please raid your sheds (and your neighbour's) to see if you have any spare. Each class is planting something that they can hopefully harvest to eat before we break up at the end of the summer term. I can't wait to see what happens!

Best wishes

Mrs Harding
