What we did last Week!

Year 3 have been learning all about rocks in Science this term. This week they had a local geologist come into school, to share his knowledge of the rocks in our local area. They children were amazed to find out that the rocks under our feet in Torbay are some of the oldest in the world, at around 400 million years old!

This week's Gospel Value

Kindness

This week our focus is on Kindness.

It is wonderful for us to know Jesus' love and share His love with others.

How can you show kindness today?

This week can you:

- encourage someone with your words
or
- show kindness to someone who is upset

Father God,

Thank you for your amazing love.

I am sorry for the ways that I have not loved well.

Help me to be more loving like Jesus.

Amen

Holy Angels After school Club

If you require an After school club place for your child in Holy Angels Pre-school, it is important that you book them in prior to your child arriving at the pre-school door. After School club has a maximum number of children it can accept and there are occasions when it has been full and places are not available. Also, for your child's safety, it is important that Pre-school know to expect your child.

Further to the above, please let the school know if you have booked your child into After School club at Holy Angels Pre-school. Again, for their safety we need to know where the children are going at the end of each day.

School Meals

The cost of a school meal is currently £2.65.

All meals must be ordered by midnight the day before via ParentPay.

Please note that parents whose children are entitled to Free school meals or universal infant free school meals must also order their children's lunches in advance.

Nut free school!

Please be reminded that the school is a nut free zone.

Please check your child's packed lunch before sending it in. Children are not permitted to eat products containing nuts on the premises.

Nuts and peanuts can cause allergic reactions, which are sometimes severe, resulting in anaphylaxis. This can be life-threatening.

We insist on the school being a nut free zone to protect the children in our school who have this life threatening allergy.

Thank you for your understanding.

Library Opening

The library is open every day at hometime. Please feel free to pop in after school to choose books with your child.

We have books for sharing for younger children and the children's Accelerated Reader books.

Remember that research tells us that the more children read for pleasure the higher their academic attainment will be.
