# SATS results and Reports

The reports for children in Year 6 will be coming home today. The rest of the school will receive their reports on **Tuesday 16th July**. Please remember to check your child's bag. We are using a new report format this year which I hope will make it easier to understand how your child is progressing in their learning.

Next year, the teachers will be using new Pupil Achievement Records which you will be able to view during Open Class times. These will provide you with more detailed information as to what your child needs to learn next.

All parents are invited to pop in to see your child's teacher at the end of the day on **Wednesday 17th July** should you have any queries about the reports. Your child's class teacher will be available but if you wish to have a more detailed discussion then please make an appointment to see your child's teacher at another time.
