Nut free school!

Please be reminded that the school is a nut free zone.

Please check your child's packed lunch before sending it in. Children are not permitted to eat products containing nuts on the premises.

Nuts and peanuts can cause allergic reactions, which are sometimes severe, resulting in anaphylaxis. This can be life-threatening.

We insist on the school being a nut free zone to protect the children in our school who have this life threatening allergy.

Thank you for your understanding.

Library Opening

The library is open every day at hometime. Please feel free to pop in after school to choose books with your child.

We have books for sharing for younger children and the children's Accelerated Reader books.

Remember that research tells us that the more children read for pleasure the higher their academic attainment will be.
