What we did last Week!

The children in Y6 have been learning to play La Bamba on the glockenspiels and recorders in music. It sounded amazing - Mrs Harding was very impressed!

This week's Gospel Value

Humility

This week our focus is on Humility.

Humility means being humble and not showing off or thinking you are better than others.

This week can you:

- make sure that your words and actions are always loving to others.

Dear God,

Help me to spread your love and grace through my actions and words by following God with all my heart.

Help me to think of others and show humility so that I don't make others feel bad about themselves.

Grant us this through Christ our Lord.

Amen

Holy Angels After school Club

If you require an After school club place for your child in Holy Angels Pre-school, it is important that you book them in prior to your child arriving at the pre-school door. After School club has a maximum number of children it can accept and there are occasions when it has been full and places are not available. Also, for your child's safety, it is important that Pre-school know to expect your child.

Further to the above, please let the school know if you have booked your child into After School club at Holy Angels Pre-school. Again, for their safety we need to know where the children are going at the end of each day.

Whole school attendance this week 90.8%

Current overall attendance 92.3%

Nut free school!

Please be reminded that the school is a nut free zone.

Please check your child's packed lunch before sending it in. Children are not permitted to eat products containing nuts on the premises.

Nuts and peanuts can cause allergic reactions, which are sometimes severe, resulting in anaphylaxis. This can be life-threatening.

We insist on the school being a nut free zone to protect the children in our school who have this life threatening allergy.

Thank you for your understanding.

Library Opening

The library is open every day at hometime. Please feel free to pop in after school to choose books with your child.

We have books for sharing for younger children and the children's Accelerated Reader books.

Remember that research tells us that the more children read for pleasure the higher their academic attainment will be.
