First Holy Communion

Congratulations to our pupils that took their first Holy Communion on Saturday. We hope that you will be filled with the love of God and your families for all your days to come!

What we did last Week!

Y4 took part in activities for World Ocean Day this week, with help from the Ocean Conservation Trust and the Marine Conservation Society. We joined a Live Lesson with Marine Biologist Inka Cresswell, along with 76 other countries around the world! We learned what it means to be a 'blue human' and support, protect and advocate for our blue spaces. We had a go at some activities, we started by drawing a map of our local blue space and filling the map with our memories and thoughts and feelings. We also took part in a few quizzes to understand our own marine citizenship and identities. We learned how to meditate and reflect, a practice we can take to our local blue space and implement there too. Finally, we created an action plan for what we would like to do when it comes to supporting our local blue space, and advocating for the ocean. We have loved taking part in World Ocean Day!

This week's Gospel Value

Forgiveness

By being forgiving we can become good friends to others just as Jesus tells us to.

- Can you simply forget that someone has made you feel angry, even if it was on purpose?
- Can you forgive someone by thinking what it would be like to be them and then letting them off?
- Can you happily accept someone's apology today?

Lord Jesus

I welcome you into my heart.

Thank you for sharing special time with me.

Help me to be a good friend to others today by showing forgiveness and letting go of grudges.

Grant us this through Christ our Lord.

Amen

Holy Angels After school Club

A reminder that After School club will **NOT** be available on the last day of term, Wednesday 24th July.

There will be no after school sports clubs either on that date.

Children must be collected from school at 3.15p.m.

We are pleased to advise that the disco raised £356.28 which will be put towards a new set of ukuleles to be used during class music lessons.

We are desperate for more parents to help with PTA events. Please let us know if you can help - we need you!

The main purpose of the PTA is to raise funds for extra items for the children such as football kit, ukuleles and gardening equipment.

Our PTA is completely reliant on volunteers to be able to run events. All parents / carers are automatically PTA members and are welcome at all meetings. New parents are encouraged to come along and bring their ideas.

We would love to see you!

Whole school attendance this week 88.4%

Current overall attendance 92.3%

This week's trend \uparrow 0.8%

Attendance Reminders

If your child is sick please ring on the first day of absence by 9.00 a.m. and every other day thereafter. If you don't do this we will ring you as we are required to check on the welfare of our pupils. You must inform us of your child's symptoms.

[Is my child too ill for school? \(Government advice\)](#)

Holy Angels After school Club

If you require an After school club place for your child in Holy Angels Pre-school, it is important that you book them in prior to your child arriving at the pre-school door. After School club has a maximum number of children it can accept and there are occasions when it has been full and places are not available. Also, for your child's safety, it is important that Pre-school know to expect your child.

Further to the above, please let the school know if you have booked your child into After School club at Holy Angels Pre-school. Again, for their safety we need to know where the children are going at the end of each day.

School Meals

The cost of a school meal is currently £2.65.

All meals must be ordered by midnight the day before via ParentPay.

Please note that parents whose children are entitled to Free school meals or universal infant free school meals must also order their children's lunches in advance.

Monday - Multi Skills/Sports R,1,2,-FULL

Wednesday - Boys Football 3,4,5,6

Nut free school!

Please be reminded that the school is a nut free zone.

Please check your child's packed lunch before sending it in. Children are not permitted to eat products containing nuts on the premises.

Nuts and peanuts can cause allergic reactions, which are sometimes severe, resulting in anaphylaxis. This can be life-threatening.

We insist on the school being a nut free zone to protect the children in our school who have this life threatening allergy.

Thank you for your understanding.

Library Opening

The library is open every day at hometime. Please feel free to pop in after school to choose books with your child.

We have books for sharing for younger children and the children's Accelerated Reader books.

Remember that research tells us that the more children read for pleasure the higher their academic attainment will be. [More information here!](#)
