LET'S TALK ABOUT IT

WORKING TOGETHER TO PREVENT TERRORISM

The school promotes British Values to reduce the risk of children becoming radicalised.

All staff are trained to recognise children that need extra support and these are referred to the CHANNEL programme where necessary.

We teach children online safety and how to stay safe online at school.

Parents should monitor the use of social networking sites and the internet at home.

More information can be found on the school website.

The school offers early help support if you or someone you know may benefit from this - please get in touch.
