# What we did last Week!

The Premier League, in collaboration with Nike, relaunched the Kit Scheme in 2023, aiming to encourage more young girls across England and Wales to participate in football.

We were successful in applying for a brand new football kit for the girls football club. We started a girls football club last year and it's become very popular due to the recent success of the Lionesses. The club started last year with 12 girls and we now have 30 girls signed up playing every week. Almost everyone has now represented the school in competitive football matches.

# What we did last Week!

Girls football scores:

OLOTA Greens 7 - 0 Warberry

OLOTA Yellows 1 - 2 Warberry

Goalscorers Marla, Amara, Layla, Olivia, Amy, Holly

We travelled to Warberry for a Year 3/4 girls football match. Most of the girls have only started playing football in September and their skills have improved a lot in such a short space of time.

The first game finished OLOTA 7-0 Warberry, the girls worked really well as a team. They defended well and were quick to score the first goal. Layla's first shot was saved by the Warberry goalkeeper, but the ball rebounded back to her and she was able to score on her second attempt. The first half finished 3-0, goals scored in this half by Layla, Amy and Olivia. The second half started and OLOTA was on top of possession and moving the ball well. The first goal this half was scored by Amara, as she was the first player to a loose ball and was able to finish. Marla scored goal of the day with a powerful strike from the edge of the box, the ball flew into the bottom corner!

The second game was very close and could have gone either way, both goalkeepers were very busy and both pulled off some very brave saves. The girls started off slowly and conceded two goals, but before the end of the first half the girls got stuck in and showed some real determination to try get back into the game. Shekinah displayed some amazing dribbling skills and Chinemerem was able to break up play in midfield with great tackling. Holly scored our goal as she ran through from midfield and was able to score in the bottom left corner. The girls finished the day with smiles on their faces and should be proud of their hard work.

We celebrated World Book Day with a huge book swap! There were over 500 books donated - a massive thank you to all those who were able to contribute. All of the children were able to choose at least 2 new books to take home with them! There was such a wide range of books to choose from, hopefully everyone found something to enjoy!

## *This week's Gospel Value*

Courage

This week our focus is on Courage.

As we continue on our Lenten journey, we must be courageous. We must continue to act with mercy and love.

Can you:

- speak out if you think someone is being unkind to others without worrying about yourself

Grow in us, Lord,

your ways of peace and courage,

so that in this time of Lent,

we may bear witness to your love,

revealed to us in Jesus.

Amen

# PTA Fundraising

We are inviting children to come in with crazy hair on Friday 15th March in exchange for bringing in some Easter goodies to put toward our Easter hampers for the PTA raffle.

We are allowing spray on hair colour as otherwise we feel the boys may be very restricted.

# PTA Fundraising

1,2,3,4, we declare a penny war.

Each child will have a bottle or jar in class, the class that raises the most money will be rewarded with a special treat.

Ready, steady, go!!

# PTA Fundraising

The cake sale was an idea from the Year 3/4 football team; they designed their own posters and were responsible for bringing in most of the cakes and bracelets. They were also in charge of selling the cakes. They did very well raising some extra funds which now means we can place an order for our new Yr 3/4 school football team kit.

Whole school attendance this week 94.5%

Current overall attendance 92.6%

This week's trend ↓0.5%

## Holy Angels After school Club

If you require an After school club place for your child in Holy Angels Pre-school, it is important that you book them in prior to your child arriving at the pre-school door. After School club has a maximum number of children it can accept and there are occasions when it has been full and places are not available. Also, for your child's safety, it is important that Pre-school know to expect your child.

Further to the above, please let the school know if you have booked your child into After School club at Holy Angels Pre-school. Again, for their safety we need to know where the children are going at the end of each day.

# School Meals

The cost of a school meal is currently £2.65.

All meals must be ordered by midnight the day before via ParentPay.

Please note that parents whose children are entitled to Free school meals or universal infant free school meals must also order their children's lunches in advance.

# Spring - After School Clubs Yr R-6

# Nut free school!

Please be reminded that the school is a nut free zone.

Please check your child's packed lunch before sending it in. Children are not permitted to eat products containing nuts on the premises.

Nuts and peanuts can cause allergic reactions, which are sometimes severe, resulting in anaphylaxis. This can be life-threatening.

We insist on the school being a nut free zone to protect the children in our school who have this life threatening allergy.

Thank you for your understanding.

# Library Opening

The library is open every day at hometime. Please feel free to pop in after school to choose books with your child.

We have books for sharing for younger children and the children's Accelerated Reader books.

Remember that research tells us that the more children read for pleasure the higher their academic attainment will be.
