

Suggested timetable for school closure – Y5

Please note that this is NOT a requirement, simply a suggestion. The children might enjoy creating a similar timetable of their own. They might even want to create a slightly different timetable for each day / week to vary things a little! Having some structure will help to keep them in a routine and ensure their able to keep up with some learning.

9.00-10.15	Academic time	Complete a maths activity
10.15-11.00	Academic time	Complete a reading / writing activity
10.30-11.00	Break	Take some time to get some fresh air!
11.00-12.00	Academic time	Project work, science, geography, history, design art!
12.00-1.00	Lunch time	
1.00-1.30	Quiet reading	Everyone could join in with this!
1.30-2.30	Academic time	Project work, science, geography, history, design art!
2.30-3.00	Exercise time	End the day with some physical activity!

Please refer to the 'Learning Suggestions' document for links to websites that the children can access and ideas for activities. A number of worksheet based activities will also be emailed out to you on a weekly basis.
