Dear Parents,

Year 2 Sleepover

We are very much looking forward to providing this experience for our Year 2 children as part of our continuing whole school plan to improve extra-curricular opportunities for all children. It will be an exciting event for all involved and offer a completely different experience in an environment that the children are happy and confident in in their everyday learning.

The sleepover is taking place on Friday, 7th June and will begin at 6.15pm. We request that your child is collected after school on the Friday as normal, have their dinner at home, before arriving back at school for 6.15pm dressed in their pyjamas. You will then be able to collect them at 9.00am on the Saturday morning.

They will need to bring with them a sleeping bag, pillow and a sleeping mat, if they have one. We will use some PE mats but we do have a limited number so would appreciate children bringing sleeping mats where possible. Please put their bedding in a black sack so that they are able to gather it together themselves in the morning. In addition they will need a small bag containing a torch, a spare pair of pyjamas (in case of accidents), toothbrush and toothpaste and any toy/comforter your child may want whilst sleeping. The children will come home in their pyjamas in the morning and so will not need a change of day clothes.

On arrival to school at 6.15pm, the children will leave their sleeping things and bags in their classroom ready for them to access at bedtime. We will then play games before watching a film in the hall with hot chocolate and snacks. The children will then be split into boys and girls in preparation for sleeping in the Year 1 and 2 classrooms. Staff will support them with preparing their sleeping things for them to use. There will be a member of staff sleeping in each classroom with other staff situated in the corridor. Children will be able to access the usual Key Stage 1 toilets throughout the night should they need to use them.

The next morning they will be supported to collect up their belongings before enjoying breakfast altogether in the lounge. Following breakfast you will be able to collect your child at 9.00am from outside the main reception.

We are asking for voluntary donations of £2.00 per child to provide snacks and breakfast.

We hope that your child will be able to join us in this exciting experience with the opportunity to develop their independence and self-organisational skills. Please return the reply slip below to say whether they will be joining us by Friday 24th May. If they are able to take part please also complete the Information form below. If you have any questions or would like any more information regarding the experience please do not hesitate to speak to me.

We look forward to a highly memorable time together.

With best wishes

Mrs Hill
