

<p style="text-align: center;">English</p> <p>We will be writing letters when we come back to school all about real events in our lives.</p> <p>After that we will be exploring poetry with the book 'Tell me a Dragon'. The children will be using their best descriptive language and differing techniques to create a deliciously delightful description of their own!</p> <p>Finally, we will begin to explore the story book 'Previously' We will map out the story and learn to recite part of it with actions and images. This will help us in the planning and creation of our own stories.</p> 		<p style="text-align: center;">PSHE</p> <p>Focus on keeping our bodies moving! How to make healthy lifestyle choices and how to have a healthy body and mind.</p> 	<p style="text-align: center;">Maths</p> <p>We will begin this term by continuing with Multiplicative Reasoning where we are investigating multiplication and division. We will be using money to find different coins to make the same amount and calculating change given.</p> <p>After this we will be exploring Additive Reasoning where we will have a focus on number, place value and measuring and comparing units of length, mass and capacity.</p> 
<p style="text-align: center;">Art / DT</p> <p>This term we will be designing and building our own junk model cars and racing them on different surfaces to see how they drive.</p> <p>We will also be making Mother's Day and Easter crafts to bring home and share with our families.</p>	<p style="text-align: center;">PE</p> <p>The children will continue to work with TUFC completing team games and working on multi skills.</p> 	<p style="text-align: center;">Let's get Moving!</p> <p style="text-align: center;">Year 2 Learning Experience Spring 2 19.2.18 - 29.3.18</p>	
<p style="text-align: center;">Science</p> <p>We will be continuing to look at everyday materials this term and considering how they change and what they are used for in our everyday lives.</p> <p>We will combine this with our motor vehicle experiments and consider which materials are best to use and which road surface creates the most / least friction.</p>		<p><u>We will be needing junk to build our vehicles later this half term. Please send in any appropriate and clean boxes, bottle tops, tape, cardboard etc.</u></p>	
		<p style="text-align: center;">History</p> <p>We will be looking at the history of the car and how it has changed over time. We will look at timelines of motor vehicle inventions and discuss the changes we can see.</p> 	
		<p style="text-align: center;">RE</p> <p>Lent: We will be learning about the lead up to Easter and the importance of Lent within the Catholic religion. We will be learning about the Parable of the lost sheep and its importance.</p> <p>Holy Week: We will consider our own thoughts in relation to Jesus' death and resurrection. We will also consider how Jesus may have felt during this time.</p>
