

Key texts:

Somebody swallowed Stanley (Sarah Roberts)
Dolphin Boy (Michael Morpurgo)
Dear Greenpeace (Simon James)
The Brilliant Deep (Kate Messner)

Under the Sea

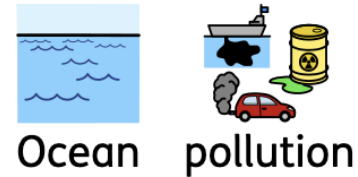

Summer Term

Year 2

Geography:

We plan to map the journey of the Titanic from Southampton to America, noting where it sank.

We will learn about the causes and impact of ocean pollution on sea life and this could be improved.

Maths:

* Properties of shape

$\frac{7}{10}$

* Fractions

* Problem solving and efficient methods

$3+1=2=$ $3-1=2=$ $+$ $10 \begin{matrix} 1+9 \\ 4+6 \\ 5+5 \end{matrix}$

* Addition, subtraction and number bonds

* Time

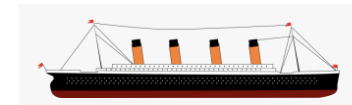

* Weight, volume and temperature

Design and Technology:

Design and make a sea monster that moves

by a linked system of levers and pivots.

History:

Titanic

We will learn about the story of the Titanic and look at photographs of it now under the sea. We will find out about Isambard Kingdom Brunel and why he chose to live in Torquay.

Art:

Explore the work of Karin Zeller.

Make own 'Under the Sea' picture using oil pastels and paints.
